

2021 Consensus All-America

*The following players were listed on the most first team All-America teams competing against players at that position only. To be selected a player must be named first team on at least two of the five selected All-America teams. Ten players were unanimous choices at specific positions by the five organizations used in the consensus chart — American Football Coaches Association, Associated Press, Football Writers Association of America, The Sporting News and Walter Camp Foundation. **Note:** The five teams have a different way of listing the returner and/or all-purpose player. For the purpose of the Consensus All-America team those categories were treated as one position.*
